HOMELESS SHELTER PROGRAM

HOMELESS SHELTER PROGRAM

Since 1991, VA's Loan Guaranty Service has administered the Homeless Shelter Program (HSP) to sell properties at a discount to Preferred Organizations, Nonprofit Organizations and local governments to provide shelter for Veterans who are homeless or at risk for homelessness. To be eligible, properties must (1) be vacant with title approved by VA Regional Counsel (2) be listed for sale for more than 30 days, and (3) not have any repairs in progress. Properties must be used to shelter Veterans who are homeless or at risk for homelessness for no less than three years.

The discount from the initial listing price is dependent upon the length of time the property has been listed on the market as noted below:

Length of Time the Property has been Listed	Discount
At least 1, but less than 2 months	20%
At least 2, but less than 3 months	35%
3 months or more	50%

THE PURCHASE PROCESS

- All VA-acquired properties listed for more than 30 calendar days will be eligible for HSP. Visit our [home loan website](#) for information about properties.
